

## **CONSTRUCTION ACTIVITY NOTICE**

### **LANE CLOSURE FOR SANITARY SEWER REPAIRS**

The City of East Point's Capital Improvement Program will be completing sanitary sewer work in front of Hamilton E. Holmes Elementary School on **Saturday, November 7th, from 7 a.m. until 5:30 p.m. and possibly Monday, November 9th, from 9 a.m. until 2:00 p.m.** In order to complete this work, it will be necessary to close one lane of Connally Drive during these hours. At no time will the entire roadway be blocked to traffic. Flagmen will be on site to help direct motorists.

The City is alerting residents that heavy equipment and construction noise may be noticeable. However, our crews will work diligently to minimize the length of the construction period and road closure.

We appreciate your patience while we work toward improved sewer lines at this location. Please contact Marceia Barlow, Project Coordinator for the Capital Improvement Program (CIP), with any questions or comments at (404) 270-7162.
